“The Breakfast Company”®

Northern Gold Foods Ltd. is a well established leading manufacturer of a wide range of healthy and great tasting breakfast and snack products, along with custom developed private label products and industrial ingredients.

We manufacture a wide assortment of **granola** and ready to eat cereals marketed in the United States and Canada under our **Northern Gold** and **Spencer's** brand, along with a variety of private label programs. We are actively developing our industrial ingredient sector, with a wide assortment of protein based crisps and other nutritional bases for the emerging nutrient dense product trends.

Northern Gold is committed to providing you consistent product quality that delivers both **Great Taste and Great Value**.

Introducing Northern Gold Steel Cut Oats!
Now available at select Costco stores.

Northern Gold Steel Cut Oats are 100% whole grain and are selected and toasted in old world style for exceptional flavor and quality. It's a nutritious way to start the day with a bowl of oatmeal or use as ingredients in your favorite cooking recipe.

Rich Products of Canada, Ltd.

At Rich's Products of Canada, Ltd., great food is at the heart of everything we do. We love food, and we share this love with our foodservice and supermarket customers to help them grow their business from Western tip of Vancouver Island to the Eastern Coast of Newfoundland. We're here to help our customers surprise and delight the consumers they serve every day.

So if you're looking to offer a crispy thin crust pizza on your lunch menu, we have the perfect pizza dough for you to try. Interested in expanding your take home meal offering in your deli? Try our authentic pulled pork Bar-B-Q. Searching for some ideas on how to boost afternoon traffic? Try a Rich's unique PM snack like a southern Bar-B-Q Biscuit or a Grasshopper Milkshake. Need some help "wowing" 12 kids at a birthday party? Try our ice cream cakes or cupcakes with icing they are guaranteed to love!
