Status of relocation and installation

Click for larger images

Status of relocation and installation of production equipment from Munksjö Inpak in Ski (Bæfald, Norway) and Munksjö Ed (Sweden) to Tommen Gram Folie in Levanger, Norway.

As previously notified, Tommen Gram Folie has acquired the two above-mentioned companies. In order to preserve the best possible continuity in our production, the two plants are to be relocated to Levanger at different times.

Takeover of Munksjø Inpak AS and Munksjø Inpak AB

An agreement has been entered into between Tommen Gram Folie AS in Levanger and Munksjö AB in Sweden regarding the takeover of Munksjö Inpak AS in Ski in Norway and Munksjö Inpak AB in Ed in Sweden.

The takeover includes employees, machinery and other equipment and the move to the factory in Levanger starts in the course of July this year. The two Munksjö companies have substantial expertise, experience and capacity in printed plastic materials and have an annual turnover of about 70 million kroner in Norway and Sweden.
