Whatever the challenge

CPC is a fully integrated investment group in the food industry, which began operations in 1977. Today, it is a pioneering investment group with a portfolio of powerful market-leading companies. It maintains a strong commitment to societal development and corporate social responsibility.

At these times of financial turmoil, all industries may expect to struggle, however survival will then be for those who have what it takes.

Overview
Mansour has moved from a distributor to providing high quality consumer goods, catering to a wide variety of markets, and providing them with an extensive range of the highest quality products to meet the increasing demands present in the modern day consumer.

Mansour is also a supplier and importer to many other Fast Moving Consumer Goods (FMCG) brands- Samsung, Lixiella, Hajal and Dett are only part of an extensive list of trading brands.

Most of these brands operate under Mansour's subsidiary company, Mansour Distribution Company, established in 1971, and merged in 1977, and later merged with Hana in 2000.

In 1994, Mansour was established under Mansour group to operate as Mansour's agent.

The main header features the Sonac logo (a diamond shape with an orange inside) and the text 'Société Nationale Du Commerce'. To the right of the logo is a large image of onions. A vertical navigation menu on the right side lists: About us, Our Products, Our Factories, Our Farms, Our Cold Stores, Markets, and Contacts. Below the header, a date bar indicates 'Thu 3 Jan 2013'. The main content area is titled 'Onions' and contains three bullet points:

- SONAC produces about 10.000 - 15.000 Mtons of Onions per season. As usual as all of SONAC's products, we provide best quality of Onions.
- Our major markets all over the world (Europe, Russia & Kenya).
- SONAC achieves this by choosing only the highest quality raw materials, which are supplied by the company controlled farms, and other plantations supervised by the company.

 On the right side of the main content, there is a sidebar with links: Onions, Container Capacities, Varieties, Gallery, and Shipment Documents. At the bottom of this sidebar is a small image of onions.
