ASTW Fishmeal Plants and Machinery

A & S Thai Works Co. Ltd (ASTW) is the largest manufacturer of high quality fishmeal plant in Asia. Based in Bangkok, Thailand, the Company operates a sophisticated production facility producing complete fishmeal processing plants. With more than 27 years of experience, ASTW has manufactured more than 500 plants for installation in South East Asia, Pacific region, Middle East, Australia and New Zealand.

The plants are a modern design using the Rotary Disc Drier technology that can operate continuously for years and provides easy operation, low energy consumption, low maintenance and long life. ASTW also provides excellent after sale service and 24hrs standby of spare parts in stock.

ASTW Rotary Drier design is based on technology from the world's largest supplier of advanced fishmeal plants in Denmark and Norway. More than 2,000 units of this famous European designed, Rotary Disc, steam heated drier have been delivered worldwide.

ASTW research and development continues to make enhancements to the driers, presses, pre-finishes, and auxiliary equipment. The enhancements in design continue to improve efficiency, reliability and lifetime cost of the plants.

3 years warranty

ASTW Rotary Disc Driers come with 3 years warranty* for drier body, gear, bearings and even the motor.
(*South East Asia only, otherwise 2 year warranty)
