Founded in 1922 and still family-owned, Shamrock Foods Company specializes in the manufacturing and distribution of quality food and food-related products. The company has become a symbol of integrity in households and businesses. Shamrock continues serving customers through a family of companies, including Shamrock Farms, the largest dairy in the Southwest, and Shamrock Foods, the seventh-largest U.S. foodservice distributor.

Real. Fresh. Ideas.

International Dehydrated Foods, Inc. manufactures further processed meat and poultry ingredients, which are available in fresh, frozen, concentrated and powdered forms.

IDF specializes in the production of a variety of high quality, natural poultry ingredients as well as dehydrated meat and poultry ingredients. All IDF products are available for worldwide distribution and are manufactured under a strict HACCP quality control program.

Whether you're in need of basic poultry ingredients or spray-dried, dry-blended powders, International Dehydrated Foods, Inc. puts flavor and functionality in your formulations. We can also provide the needed technical expertise to get from concept to market.
