Nutricia babyvoeding geeft zuigelingen en peuters een evenwichtige start – met producten die qua smaak, textuur en samenstelling precies zijn aangepast aan hun leefstijl. Nutrilon, Oxyart en Bambik zijn onze bekende productnamen. Nutricia blijft verder werken aan sterke producten die kinderen de beste start geven. Kwaliteit, gebruiksgemak en evenwicht staan bij ons centraal.

Bij Nutricia Advanced Medical Nutrition werken we intensief samen met health care professionals en andere verzorgers om onze patiënten, die op ons vertrouwen, te helpen. Dit realiseren we met de ontwikkeling en verspreiding van gespecialiseerde voeding op maat van de patiënt.
