A : What is the size of the sorting facility at this export complex? What is the supply capacity of the complex for exports?  
( ?)  
B : The total size of the export complex here is 50 hectares. It has a sorting and packing center within the complex.  
( 50ha )  
The processing capacity of the center is 15 tons per day, which is almost equivalent to a 40-foot container.
