회사연혁 및 회사정보

- Powell May International was established when A.S. May and C.B. Powell merged the Industrial Divisions of two long established food brokerage importing companies, A.S. May since 1917 and C.B. Powell since 1942. Powell May International represents some of the largest companies in their fields.
- This company supplies Canadian companies coast to coast. They also import products into Canada from overseas countries, such as China, Turkey and Chile.
- Their customers are manufacturers of sauces, condiments, frozen home meal replacements, dairies, ice cream manufacturers, snack food manufacturers, bakeries, and private label retail and re-packagers.
- Their customer base includes the largest multinational food companies.
- This buyer is interested in reviewing any information on all four items. Take note that this company does not focus on niche products, therefore although they may take a look at laver and kimchi products, there is a low probability that they may consider taking on a line.
